REQUEST TO GRANT FILING DATE UNDER 37 CFR 1.53

Hon. Commissioner of Patents and Trademarks
BOX PATENT APPLICATION
Washington, D.C. 20231

SIR:

The inventor, Klaus-Jürgen Nord, residing at
Fredrichstrasse 81, 68165 Mannheim, Federal Republic of
Germany, has made an invention entitled **METHOD AND DEVICE
FOR MONITORING THE REGION OF TECHNICAL ROLLING BODIES.**

The undersigned did not receive timely a properly
executed declaration by said inventor to be filed with this
application. The undersigned respectfully requests that the
enclosed application for patent be accepted and that a
filing date be granted. It is further petitioned that any
extensions of time be granted as they may become necessary,

in particular in connection with the timely filing of required declarations, and the United States Patent and Trademark Office is authorized to charge any fees required to deposit account 11-0224.

Applicant is enclosing a stamped self-addressed postcard with a summary relating to this filing. It is respectfully requested that this postcard receive the date-stamp and Serial Number stamp of the United States Patent and Trademark Office and then be promptly deposited with the United States Postal Service. If such card should not be found in the application papers submitted, then Applicant herewith inquires about the status of this application and requests that corresponding status information be mailed to the undersigned.

The application includes a specification with pages consecutively numbered and at least one claim.

For purposes of paying the required fee a check is enclosed. Any fees required in addition are requested to be charged to Deposit account # 11-0224. It is petitioned that any time extension which might be required in connection with the filing of this application or in connection with any papers submitted at a later point in time relating to this application be granted.

This application is a continuation-in-part application of another international application filed under the Patent Cooperation Treaty on March 5, 1999, bearing Application No.: PCT/DE99/00597. It is requested that any time extensions necessary for the parent applications be granted and the corresponding fees be charged.

Respectfully submitted,

Klaus-Jürgen Nord
